The instructor reserves the right to adjust the schedule as necessary.
**Instructional Format**
This is an online course with a synchronous component. An online course site (Learning Management System) is provided by the host institution to provide announcements, lectures, notes, supplemental printed and web-based materials, and assignments to the students. It also serves as a central point for interaction/communication between the instructor and the students.

**Live Class Meeting**
The live class meetings will take place every **Tuesday from 6:00 to 7:00 p.m. Central Time** via the Zoom web conferencing system. Participation to the live class meetings is required and a participation grade is assigned. This is an opportunity for the instructor to go over weekly topic highlights and for students to interact with the instructor and fellow students through questions and discussions. Students are expected to be prepared to ask questions and actively participate in the discussions.

The link to the Zoom virtual classroom will be posted at the top of each weekly module. Students will use the *same* virtual classroom for their live class meetings the entire semester. The sessions will take place on the dates listed in the above schedule.

It is the student’s responsibility to notify the instructor in advance if he/she must miss a class. The recording of each live class will be available within 24-48 hours after each session for those who miss a live class.

**Course Assignments**
Course assignments include lectures, assigned reading and research, discussion questions, and a Winery Safety Plan - Final Project.

**Lectures**
Any lecture slides and videos must be viewed before each online live discussion sessions.

**Assigned Readings**
Assigned readings may include additional resources. They must be completed before the online live discussion sessions.

**Discussion Board**
Discussion Board assignments will be explained during the live class sessions. Each assignment on the Discussion Board will be graded. Please be detailed in your response.

**Late Work and Missing Assignments**
Late work will only be accepted provided permission was requested from the instructor to turn the assignment in after the due date. Work received after the due date without prior approval will automatically lose a letter grade. Missing assignments will receive a zero in the gradebook.
Grading
Student grades will be determined based on their total points earned in the class. The table below outlines the total points possible for this class and their percentage weight.

<table>
<thead>
<tr>

Grade calculation: total points earned ÷ total points possible; then using the following scale to determine final letter grades:

| 90 – 100% = A | 80 – 89.9% = B | 70 – 79.9% = C | 60 – 69.9% = D | Below 60% = F |

It is the students’ responsibility to see that all graded assignments and exams reach the instructor in a timely fashion so grades can be issued.
Northeast Wisconsin Technical College Institutional Policies

Student Responsibilities and Policies
As a student of NWTC, you are expected to adhere to the policies of the College, as outlined in the Student Handbook which can be viewed and or downloaded at:
