Record Enrollment for VESTA-Fall 2013

VESTA is pleased to announce another record enrollment for the fall 2013 semester. From fall 2012 to fall 2013, student numbers increased by 36%.

If you have ever thought about expanding your knowledge of viticulture and enology or having an employee register for a class, now is the time to sign up. Our spring schedule has been posted at <http://www.vesta-usa.org/main/index.php/current-students/class-schedule>
